

Welcome to Lincolnshire Cleaning Management Ltd, specialists in all areas of pressure washing. Established in 2000, we have over 13 years experience in the pressure washing industry, offering a wide range of services including patio and driveway cleaning, as well as the removal of graffiti for both commercial and domestic customers in Lincolnshire.

We use hot and cold pressure washing treatments to offer a comprehensive range of additional services, such as UPVC window frame and conservatory cleaning, in addition to garden furniture pressure washing and the application of surface sealants.
